

## Dr Andrew T. Tsourouktsoglou, M.D.

### C.V.

Medical Doctor, born in Athens, married with 2 children.

After graduating from the Medical School of the Athens' University, he carried on with Neurology – Psychiatry fields in Greece and the U.K. (at 216 and 401 Military Hospitals in Greece and at the Institute of Psychiatry, The Royal Bethlem and Maudsley Hospitals in London).

Followed pre- and post- graduate seminars on Homeopathy in Athens (The Athenian School of Homeopathy led by G. Vythoukaskas) and London (Faculty of Homeopathy, The Royal London Homeopathic Hospital) and then followed the Ayurvedic holistic medical science, combining conventional, well grounded modern medicine as well as complementary and alternative approaches in a holistic and truly unifying way.

He is member of the General Medical Council in the U.K. and Medical Associate of the English Faculty of Homeopathy since 1984.

His parallel interest in high tech medical applications, led him to specialize in the use and application of Low Level Laser Therapy / L.L.L.T. (Guys Hospital, London), introducing the first Medical Laser Therapy units in Athens in the mid 80's.

Since 1984 he lives and works in Athens running his private practice surgery and after 1989 he is Head of the Therapy Laser Department of the Athens Medical Laser Center.

He is member of the Board of Directors of the Greek Medical Laser Association ([www.gmla-laser.gr](http://www.gmla-laser.gr)) since 1992. Member of the New York Academy of Sciences since 1992 as well.

He has published three books on Ayurveda:

Ayurveda – An Introduction, 1986

Ayurveda – The Science of Life: Part 1 – Theory, 1996 / 2007

Ayurveda – The Science of Life: Part 2 – Practice, 1998

Published numerous articles in magazines and daily newspapers and delivered many public speeches regarding the holistic approach to health, disease and therapy.

Since 1992 he is teaching the Ayurvedic medical approach to health at the Natural Health Sciences Institute in Athens – N.H.S. ([www.nhs.gr](http://www.nhs.gr)), running courses for doctors, health practitioners and lay people as well.

Frequently an invited speaker in National and International Congresses and Seminars on Ayurveda and the Holistic approach to life, including the Symposium on Alternative Medicine at the recent International Congress of Pediatrics 2007 (<http://www.icp2007.gr>).

Honorary member of the Greek Institute of Ayurveda, founded in 2005. (<http://www.ayurvedaingreece.gr>)

He is editor of the online Internet Greek Encyclopedias of Homeopathy and Ayurveda ([www.care.gr/enc/](http://www.care.gr/enc/)) and Scientific Editor in Chief of the Greek Alternative Medicine site ([www.altmed.gr](http://www.altmed.gr)) and the Greek site on Ayurveda ([www.ayurveda.gr](http://www.ayurveda.gr)).
