Dear Sir,

Sub: Application for the post of **Physician / Lecturer**

I desire to submit an application for the **Physician / Lecturer** in **Hospital** and solicit your attention with following few lines.

I obtained my **M.S in Prasuthi Tantra – Stree Roga from DR. B.R.K.R. Government Ayurvedic College, Hyderabad** and did my B.A.M.S degree from S.J.S Ayurvedic College, Chennai.

I have consistently been a top performer throughout my degree and graduated as university topper. I have been practicing Shudda Ayurveda even before completing my internship. While doing my PG, I have been a part time consultant in Kotakkal dispensary at Safilguda, Hyderabad. I believe that both my skills and personal attributes match the requirements you seek for this role

I look forward to discuss my suitability for the position in great detail. Please find enclosed my curriculum vitae for your kind perusal, I shall be deemed fortunate if given a chance to prove myself at an interview as I have a great deal to offer than contained on pages.

Awaiting your favorable response

Sincerely Yours

**Pushkala Anikode Raman**
