AYUSH-részlege Helyettes Államtitkára
L-20025/11/2007-IC (AYUSH) számú, 2008. január 8-án kelt levelének fordítása**

Tisztelt Nagykövet Úr, Megbízott Úr!

Amint azt bizonyára Önök is tudják, számos Ayurveda szervezet és szakember üzemeltet panchakarma és ayurveda klinikákat Európa számos országában. Az AYUSH szeretne e szervezetekkel és szakértőkkel kapcsolatot létesíteni, és amennyiben erre igény mutatkozna, fiatal ayurveda szakértőket delegálna hozzájuk, az Ayurveda és más indiai gyógyászati rendszerek népszerűsítése céljából.

A fenti céloknak megfelelően az AYUSH nagymértékű változtatásokat eszközölt Nemzetközi Együttműködési Tervében, az alábbiaknak megfelelően:

1. Indiai szakértők és kormányzati küldöttek delegálása a tradicionális gyógyászattal foglalkozó nemzetközi találkozókra és konferenciákra.
2. Az ayurveda, siddha és unani gyógyászaton alapuló készítmények gyártóinak ösztönzése nemzetközi vásárokon, kiállításokon való részvételre.
3. Fiatal ayurveda, siddha és unani szakértők delegálása külföldi országokban lévő intézményekhez az AYUSH alá tartozó gyógyászati rendszerek propagálása céljából.
4. Az AYUSH által kiadott könyvek idegen nyelvekre történő lefordítása és kiadása.
5. Ösztöndíj-lehetőség biztosítása 20 külföldi diák számára az AYUSH alá tartozó szakok képzésén való részvételre India vezető képzési intézményeiben.
6. AYUSH információs központok létrehozása az Indiai Követségeken.

Kérem, hogy szíveskedjenek megtekinteni a Nemzetközi Együttműködési Terv részletes változatát, mely elérhető a www.indianmedicine.nic.in honlapon. Továbbá kérem, hogy szíveskedjenek megnevezni azokat a szervezeteket, melyek aktívan dolgoznak az Ayurveda propagálásában, és szíveskedjen megállapítani az együttműködés lehetőségét az AYUSH és e szervezetek között. Kérem, hogy szíveskedjenek széles körben nyilvánosságra hozni a külföldi diákok számára megnyílt lehetőségeket indiai gyógyászati rendszerek tanulására ösztöndíjprogramok keretében.

Üdvözlettel:

Shiv Basant
Helyettes Államtitkár

Central Sector Scheme for Promotion of International Co-operation (IC) in AYUSH

1. BACKGROUND

The Department of AYUSH previously known as Indian Systems of Medicine & Homoeopathy (ISM&H) was set up as a separate Department in 1995 with the mandate, *inter alia* to formulate policies for development of Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy and their propagation within the country and popularize them in other countries.

Growing global demand of natural medicine has increased the scope of international exchange of AYUSH-related information and co-operation with other countries for collaborative efforts in the development of traditional system of medicine. Popularity and practice of AYUSH systems does exist to varying extent in many countries. Government has been receiving requests from several countries for deputation of AYUSH experts to take up teaching and clinical work and for technical assistance in framing regulations & standards of practice and education. Invitations are frequently received for participation of Indian experts and entrepreneurs in international conferences, exhibitions, trade fairs etc. This scenario provides an opportunity for India to assume the role of leadership in extending assistance to various countries for promotion of AYUSH. This necessitates providing for an arrangement aimed at promoting International exchange not only to earn goodwill for the country but also to help globalization of AYUSH.

In view of the above, the International Cooperation (IC) Scheme, which was implemented during the IX and X Plan, has been expanded in its ambit and scope merging the existing components and new initiatives so that promotion of AYUSH could be facilitated across the globe and international commitments & demands are fulfilled in an effective manner.

2. OBJECTIVES

The scheme is meant for achieving the following objectives:

- a) To facilitate International promotion, development and recognition of Ayurveda, Yoga, Naturopathy, Unani, Siddha and Homoeopathy;
- b) To promote awareness about AYUSH strengths & utility in emerging health problems;
- c) To foster interaction of stakeholders and market development of AYUSH at international level;
- d) To support international exchange of experts and information for the cause of AYUSH systems.

3. OPERATION OF THE SCHEME

The scheme has seven components as under-

- (i) International exchange of experts & officers.
- (ii) Incentive to drug manufacturers, entrepreneurs, AYUSH institutions etc. for international propagation of AYUSH and registration of their products by USFDA/IMEA/UK-MHRA for exports.
- (iii) Support for international market development and AYUSH promotion-related activities.
